

# WELCOME

At the Four Seasons Country Club Bar, time slows down and flavour takes centre stage. This is a space designed for relaxed gatherings, long conversations and spontaneous toasts — where each drink is more than just a choice; it is a moment.

Our menu strikes a balance between creativity and tradition. We offer a collection of signature cocktails, created exclusively for the FSCC, that reflect the character of the Algarve: bright, sophisticated and naturally welcoming. Carefully selected ingredients, unexpected combinations and attentive preparation result in drinks that spark curiosity and invite discovery.

Alongside our creations, we reinterpret timeless classics, offer refreshing options, characterful non-alcoholic choices and a carefully curated selection of spirits, wines and sparkling wines. All have been chosen to suit different moments of the day, no matter the time.

Here, the bar is not just a place to stop by. It is a place to stay.

A white, elegant cursive signature of Paulo Martires, written in a fluid, flowing style.
